

## IAU COMPETITION RULES FIELD CROSSBOW 2005

### Art. 329 OPTICAL AIDS

- 329.1 **Spotting Equipment:** Field glasses, telescopes and other visual aids may be used for spotting bolts. Spotting telescopes may be set up on the Shooting Line. Where shooting takes place in two (2) relays (Art. 321.1.2), the arbalist must remove his spotting telescope and tripod to behind the Equipment Line when vacating the Shooting Line at the completion of an end of three shots (Art. 324.1). Spotting telescopes may be left on the shooting line when shooting in one (1) relay, at the Sole discretion of the **DOS**.
- 329.2 **Spectacles:** Spectacles as necessary or special shooting spectacles, provided they are fitted with lenses normally prescribed for the user, and sunglasses are allowed, provided that they comply with (Art. 326.3.7.1). Spectacles shall not be marked in a way which can assist in aiming.
- 329.3 **Inspection:** Optical aids to be used by a competitor during the competition shall be inspected during equipment scrutineering and may be examined at any other time during the competition as required (Art. 334).
